ORDER / WANTED / SURPLUS FORMS

You can use our handy Order/Wanted form in the back of this catalogue to let us know about books you are looking for, whether we have them in stock yet or not. If we don't, we'll try to track them down for you.

You can use the Surplus form in the back of this catalogue to let us know about books you are no longer using and wish to sell to generate funds for your department or school.

RETURNS POLICY

All reconditioned books come with a 30 day no-questions-asked-full-return policy. Simply contact our returns department to receive authorization and arrange for shipping. For orders shipped during the summer, CSBE will extend the policy until September 30. After the full-return period, please contact CSBE and we will try to arrange for a full or partial refund or try to sell your books for you on consignment.

To return new books, please contact our returns department to receive authorization and arrange for shipping. A few books are special order items which can not be returned for full refund, but we will make every effort to provide a partial refund or try to sell your books for you on consignment.

GREENER SOCIETY

CSBE has always been a green business. Our used textbook purchase and surplus system has been keeping textbooks from entering the landfill systems for years. You are already helping by purchasing or selling textbooks through our network!

If your surplus books cannot be resold or donated to charity, CSBE ensures all textbooks are properly recycled. Through our resale and recycling, CSBE saves over 200 acres of trees from being harvested each year for new textbooks and other paper products.
