To return new books, please contact our returns department to receive authorization and arrange for shipping. A few books are special order items which can not be returned for full refund, but we will make every effort to provide a partial refund or try to sell your books for you on consignment.

## GREENER SOCIETY

CSBE has always been a green business. Our used textbook purchase and surplus system has been keeping textbooks from entering the landfill systems for years. You are already helping by purchasing or selling textbooks through our network!

If your surplus books cannot be resold or donated to charity, CSBE ensures all textbooks are properly recycled. Through our resale and recycling, CSBE saves over 200 acres of trees from being harvested each year for new textbooks and other paper products.
